Function

Handles.ConfirmRelease

```
Void Handles.ConfirmRelease()
```

API	https://api.avolites.com/19.0/api/Handles.ConfirmDelete.html
description	Confirms the release Handle Operation. This unassigns the item and leaves it in the show library. In order to delete use Handles.ConfirmDelete instead.
namespace	Handles
parameter	parameter1 (type) : none
return value	Void

Example in

Create Dummy Palettes:

```
<step>Handles.ConfirmRelease()</step>
```

Also used in

- Create Dummy Palettes
