Handles.HandlesHeldover

API	http://api.avolites.com/10.1/Handles.HandlesHeldover.html
description	Force console to hold over handles for all handle groups.
Namespaces	Handles
type	Enum

example

```
ActionScript.SetProperty.Enum("Handles.HandlesHeldover", "NeverHold")
```

This effectively changes the user setting 'Playback Paging' to 'Never Hold'.

used in

- Playback - Set Paging to Never Hold
- Properties list
